

73rd Annual Sale

Chisholm Trail Angus Association

March 15, 2024 Winfield, Kansas

Welcome

We appreciate your interest in the 73rd Annual Bull Sale of the Chisholm Trail Angus Association and invite you to join us on March 15, 2024, at the Winfield Livestock Auction in Winfield, Kansas.

This year's offering includes 50 registered Angus bulls from operations across eastern and central Kansas. The group of consignors gathered lots that exhibit strong sire characteristics while offering diverse genetic profiles that complement the goals of commercial, production focused herds. Bulls' pedigrees show generations of sought-after Angus genetics, which contribute to productive offspring, valued numbers on paper and pounds where it counts.

We hope to see you at the sale on March 15. Lunch will begin at 11:30 a.m. with viewing opportunities before. The sale will commence at 1:00 p.m. If there is anything we can do for you, please don't hesitate to reach out.

MAKE YOUR CATTLE STAND OUT

You've made a significant investment in your genetics, but does the market recognize that? Stand out by differentiating your cattle with AngusLinkSM programs: AngusVerifiedSM and the Genetic Merit ScorecardSM. AngusVerified validates your calves are sired by registered Angus bulls and make your cattle stand apart from other black hides on sale day. The Genetic Merit Scorecard gives buyers the confidence they need to pay more for your quality calves.

Users of the AngusLink programs earn **\$13-15/CWT PREMIUMS** on average. Give us a call, and learn how to claim your competitive edge with AngusLink value-added programs.

AngusVerified and the Genetic Merit Scorecard are administered by IMI Global.
